

New Year New Savings

WINTER 2025 PROMOTIONS

Life Science Research

Big savings on Western Blotting Consumables only for \$3495! →

Save over 50% on electrophoresis system, transfer system, PowerPac Power Supply, blocking and detection reagents.

Life Science Research

Save 35% on Bio-Plex Cytokine Panels →

Cytokine panels provide a robust, efficient tool to multiplex and screen low-level analytes.

Life Science Research

\$4,995 for the C1000 Touch → Thermal Cycler

Available in 96-well, 96-deepwell, 384-well, or Dual 48/48-well formats.

Promotion Period:
1/1/25 to 3/31/25

Life Science Education

50% OFF the Trans-Blot Turbo →

Save 50% on our fastest western blotting instrument!

Life Science Research

Buy 1 Get One Free on Reverse Transcription Reagents →

Buy more and save more on Bio-Rad's iScript and Reliance Select cDNA Synthesis Kits.

Life Science Research

\$2,995 Promo Price for T100 → Thermal Cycler

Get the compact and gradient enabled T100 thermal cycler at an affordable price of \$2,995.

Promotion Period:
1/1/25 to 3/31/25

Life Science Research

Get 35% Off EveryBlot and Clarity ECL Substrates →

Save 35% with the purchase of any chemiluminescent detection reagent and EveryBlot Blocking Buffer.

Life Science Research

PrimePCR Validated PCR Assays →

Free SsoAdvanced Universal SYBR Green Supermix with the purchase of PrimePCR Validated PCR Assays!

Life Science Research

Save on Precision Plus Standards when you buy 3 or more! →

For a limited time only, save on Precision Plus Protein Standards.

Promotion Period:
1/1/25 to 3/31/25
