Take the LTS Challenge and Discover Ways to Reduce Plastic Waste

Join us for a hands-on event sponsored by Mettler-Toledo Rainin, showcasing ergonomic and sustainable pipetting solutions. All attendees will be entered into a drawing to win a Rainin starter kit.

It's simple:

Come by the Rainin tabletop show to see our latest releases like the new electronic pipette, the Vero! Take a look at the Rainin MicroPro for 96-well. Find out more about how Rainin contributes to sustainability.
