Avantor Expo: Innovations in Life Science Workflows

REGISTER BY
5/14/24 AT:
<https://forms.office.com/r/sQkTWBrRh7>

Join us for an immersive exploration of cutting-edge laboratory equipment and consumables at our Avantor Expo! Lunch will be provided with raffles following the expo!

MAY 21, 2024
11:00AM TO 1:00 PM
MSTF ATRIUM - FRONT OF BIORESCO

WHAT TO EXPECT AT THE AVANTOR EXPO:

- Explore state of the art equipment from Avantor's (VWRs) most trusted manufacturers such as Discover Echo, Azure Biosystems, Beckman Coulter, Molecular Devices, Corning, Sartorius, Brandtech, Azenta, Elga, Stirling, and many more!
- Discover Essential Consumables: Explore essential laboratory consumables, reagents, chemicals, and supplies from a wide range of trusted suppliers. Find everything you need to keep your experiments running smoothly.
- Engage with industry experts: Connect with knowledgeable reps from Avantor's top scientific equipment and consumables suppliers. Learn about the latest product developments, ask questions and receive expert advice to optimize your lab workflows.
- Join us for lunch and giveaways for all that register
